

Summer School for Children & Youth

North Vancouver School District SWIS Workshop

Please join us for a special session for parents of NV elementary and high school students. The SWIS team will be presenting the following information on available learning opportunities:

- Grade 7/8 transition
- Review & completion courses
- Full credit courses
- English language learning courses/ELL
- Elementary language and math support program

Seating is limited to 12 participants. Register for the workshop by April 25, 2017 by contacting:

Khatereh Masoudi khaterehm@nsms.ca, [778-319-2931](tel:778-319-2931)

This program is government funded and free of charge.

Highlights

- *Presentation delivered in Farsi*
- Demonstration of how to navigate the Summer School websites
- An overview of summer programs, policies and registration
- Questions & answer period
