

EMPLOYMENT MENTORING SESSION FOR ENGINEERS

If you worked as an engineer in your first country, are interested in learning about or working in this field, and would like to know about the process of becoming a registered engineer or work as a technician or technologist in BC you are welcome to join our session on March 14, 2018.

This session will provide information about the following:

- Engineers & Geoscientists of BC (EGBC)
- Process of becoming a registered engineer in BC
- Alternative integration strategies and careers for Engineers as an Engineering Technologist or Technician
- Applied Science Technologists & Technicians of BC (ASTTBC)

Speakers:

Caroline Westra,

Manager - Academic & Experience Assessment
Engineers & Geoscientists of BC (EGBC)

Jacqueline de Raadt, Manager, Executive Initiatives

Applied Science Technologists and Technicians of BC (ASTTBC)
