

EMPLOYMENT MENTORING SESSION FOR UNIVERSITY & COLLEGE INSTRUCTORS

If you worked as a university or college professor in your first country, are interested in learning about or working in this field, and would like information about becoming a university or college professor in BC, you are invited to join our session on Feb. 20.

This session will provide information about the following:

- What you can do to return to your field
- Other career possibilities
- Labour job market in this field

Speaker:

MEHRAN JAMSHIDI, MSc, PMP[®], PMI-RMP[®], PMI-ACP[®], CSM[®]

Senior Project Manager at TELUS / Instructor at BCIT

This session will be presented in English

For more information and to register contact:

Homa Soltani, homas@nsms.ca, 604.988.2931

This program is government funded and free of charge.

Details

The Employment Mentoring program can help you to:

- Meet a Canadian professional in your field
- Understand different work options available to you
- Learn what you can do to return to your field
- Meet other new immigrants with whom you can share your stories, experiences and successes

This session will be presented in English
