

EMPLOYMENT MENTORING SESSION FOR CAREERS IN CHILD CARE

If you worked in child care in your first country, want to learn about or work in this field, and would like to know about the process, required education and licensing to work or run a child care in Canada, please join us for our session on August 16.

This session will provide the following information:

- *How can I open a licensed child care?*
- *What are the different careers in child care?*
- *What training do I need to be able to work in child care?*
- *Where are all these trainings offered on the North Shore?*
- *Labour job market in this field*

Speaker: Christine Mann, Child Care Support & Outreach Consultant, CCRR from North Shore Community Resources

This workshop will be presented in English

For more information and to register contact:
Homa Soltani, homas@nsms.ca or 604.988.2931

This program is government funded and free of charge.

Details

The Employment Mentoring program can help you to:

- Meet a Canadian Professional from your field
- Understand different work options available to you
- Meet other new immigrants with whom you can share your stories, experiences and successes

This workshop will be presented in English
