

HEALTHY CHILD DEVELOPMENT

This workshop will teach parents about how to check their child's development and the importance of early intervention.

Why check early?

- To make sure children are growing and developing properly
- To help find any problems early, before they get big
- To help children be ready to learn in kindergarten

Guest Speaker:

Maria Morisseau, North Shore Early Years Centre Coordinator, North Shore Community Resources

For more information and to register contact:

Front Desk, office@nsms.ca or 604.988.2931

This program is government funded and free of charge.
