

MIDDLE YEARS PROGRAM For Children (Kindergarten to grade 7) & Their Parents

The Parenting Program

Are you having cultural or communication problems with your child? How should you deal with bad behavior? Do you know Canadian family law?

Facilitators will share strategies for dealing with the challenges of the early school to pre-teen years. Parents will learn how to help their children make healthy life choices and avoid high-risk behaviours.

The Children's Program

Children will have the opportunity to meet other immigrant children and to express their immigrant experience through fun activities.

Topics include:

- Healthy Child Development
- Family Relationships and Communication
- Life in School
- Peer Relationships
- Legal Issues in Parenting

Child minding for children under 4 years is available.

**Space is limited. To register, please contact
the Front Desk at office@nsms.ca, 604-988-2931**

Highlights

- A unique workshop for parents and children
- Offered in Farsi & Mandarin
- Learn what you can do to create healthy family relationships
- Both parents and children will have the opportunity to meet other new immigrant families

This program is government funded and free of charge.
