

EMPLOYMENT MENTORING SESSION FOR ARCHITECTS

If you worked as an architect in your first country, are interested in learning about or working in this field, and would like information about becoming an architect in BC, you are welcome to join our session on May 31.

This session will provide information about the following:

- What you can do to return to your field
- Other employment options available
- Labour job market in this field

Speaker:

- Manouchehr Azizi, Architect, AIBC

For more information and to register contact:

Homa Soltani, homas@nsms.ca, 604.988.2931

This session will be presented in English

This program is government funded and free of charge.

Details

The Employment Mentoring program can help you to:

- Meet a Canadian professional in your field
- Understand different work options available to you
- Learn what you can do to return to your field
- Meet other new immigrants with whom you can share your stories, experiences and success
- This session will be presented in English
