STUDENT TESTIMONIALS

“I learned a lot of things about Canadian culture and workplaces. Before this class I didn’t have any idea about workplaces. This class was very useful for me.”

“I took this class because I needed to improve my speaking skills. I think practicing presenting was really good for me.”

“I have improved my speaking and listening skills and expanded my network. The best thing is that I learned soft skills to deal with a lot of situations that could happen in the workplace.”

“The class covers various areas about working in Canada which is beneficial to us because it helps us to integrate into the new country.”
